

# The Wayne County Partnership

Issue # 128

May 30, 2024

The **Wayne County Food Security Coalition** will meet in-person at **3:00 pm on Tuesday, June 18, 2024**. We will meet at the [\*\*Cornell Cooperative Extension of Wayne\*\*](#) at **1581 NYS Route 88, Newark, NY**. The meeting will center on introductions, defining what we would like the Coalition to do for us and the people we serve, and identifying people and organizations that are missing from the table.

## **What is the Wayne County Food Security Coalition?**

We are County and regional agencies, food pantries, churches, service organizations, and individuals who care about our communities and the people

who live in them. We share a mission of getting food and better nutrition to our neighbors' tables.

### What is the purpose of the Wayne County Food Security Coalition?

As a network of like-minded people, we meet (or otherwise interact) to share information, strategies, and resources to make our missions a little easier. We support each other through fellowship and by the simple knowledge that none of us is alone in the fight against hunger.

## Justice, Equity, Diversity, Inclusion Issue

### A Note from the Nurse's Office:

What can you do as a leader in your community that will make a difference? Addressing equity, diversity, justice, and inclusion in our community is crucial for creating a fair and inclusive environment. Justice, equity, diversity, and inclusion are essential nursing principles and practices. We can support these principles by being aware of unconscious bias, listening nonjudgmentally, educating ourselves on different cultures, trying new activities to meet new people, and creating or joining a JEDI committee! We start by having self-awareness, looking at our language, communicating with individuals, and speaking up when we see a non-supportive inclusive environment. If we want change, we have to be that change!

Amanda Briggs, Supervising Public Health Nurse
